These twelve Jesus sent out with the following instructions: "Do not go among the Gentiles or enter any town of the Samaritans. Go rather to the lost sheep of Israel. As you go, preach this message: 'The kingdom of heaven is near.' Heal the sick, raise the dead, cleanse those who have leprosy, drive out demons. Freely you have received, freely give. (Mathew 10:5-8)

**Thank you for being with Australian Hospice**

Sydney Hospice (SICA) was founded in Sydney Branch of Spring Hospice in Korea on January 4, 2004. With the support of Churches, organizations, private sponsors and volunteers in Sydney, SICA cares for patients with cancer that is difficult to treat using modern medicine. SICA registered the NSW Fair Trading as an incorporated organisation on March 17, 2011. Sydney Hospice (SICA) was voted to establish Australian Association of Cancer Care Incorporated (ACC) in the SICA General Meeting of members to broaden the hospice ministry in Australia party. ACC registered the Fair Trading and ACNC on August 3, 2016.

The spirit of Australian Hospice (ACC/SICA) is based on Christian ethics. This exercises our mind that is "to thank, to share, to serve" in our daily lives, as *Shalom* movement. Namely, by working hard at work, by thanking to God and neighbour, and by sharing what we have with one another, we can serve one another life in a small light of the community. We want to practice them. As we practice them together, we will become grains of transformation for making the assumption of health family community within cancer patients' family, for creating a peace community between church members within the churches, and for making Korean immigrant society as a trusted community. All workers are volunteers.

Australian Hospice (ACC/SICA) provides activists such as sea-side walks every Saturday, volunteer's concert, a variety of health seminars to share the joy of recovery, a volunteer training program, counseling and treatment program for the health of our neighbour in Australia. ACC/SICA develops and maintains national and international organizations through associated activities.

Anyone who agrees to the philosophy of Australian Hospice (ACC/SICA) can join as members. We aim to contribute to bring Shalom to patients with cancer and their families, and further to the society as members of Christian community in Sydney. We invite you to be the co-workers of the hospice (ACC/SICA) ministry.
